"The Best In Peonies"

(A.L. doesn't mean "Always Late" but "ADVANCE LIST",
it gives the lowest price we will sell at during the season.)

- THIS LIST IS FOR IMMEDIATE ORDERS AND SUBJECT TO PRIOR SALE -

We offer Good, Strong Divisions, 2-5 eyes plus fine roots.
Our peonies have never been used for cutflower purposes. The value,
therefore, is many times that of plants that have been standing 8 or
10 years to cut from, in fact our peonies are not to be compared with
such stock. Our Peony Roots give MORE and BETTER flowers.
